

Dear Guest,

Welcome to Anba, the perfect place for healthy refreshments or a tasty coffee specialty during the day and the ultimate Maldivian cocktail experience in the evening.

Please find our unique selection of signature cocktails; but notice that **this is by far not all we can do:** Whenever you feel after a nice cocktail not mentioned in this list, just ask one of the bartenders they are more than happy to proof their huge repertoire of cocktails by shaking, stirring or blending a cocktail to your delight.

Of course we use only quality products and the freshest fruit to create your cocktails and an experience just ...as unique as you!

As we are trying to work with fresh fruits only, the availability of some items depends on natural resources.

The Cigar menu offers a selection of the finest Cuban cigars, just ask our bar team for assistance and they will serve you the chosen one ready to enjoy.

Cheers/ Anba
